Items included in Osaka City Residents' Survey

Intersections of Sexual Orientation Identity, Sexual/Romantic Attraction, and Sexual Behavior among Cisgender Women and Men, OCRS 2019

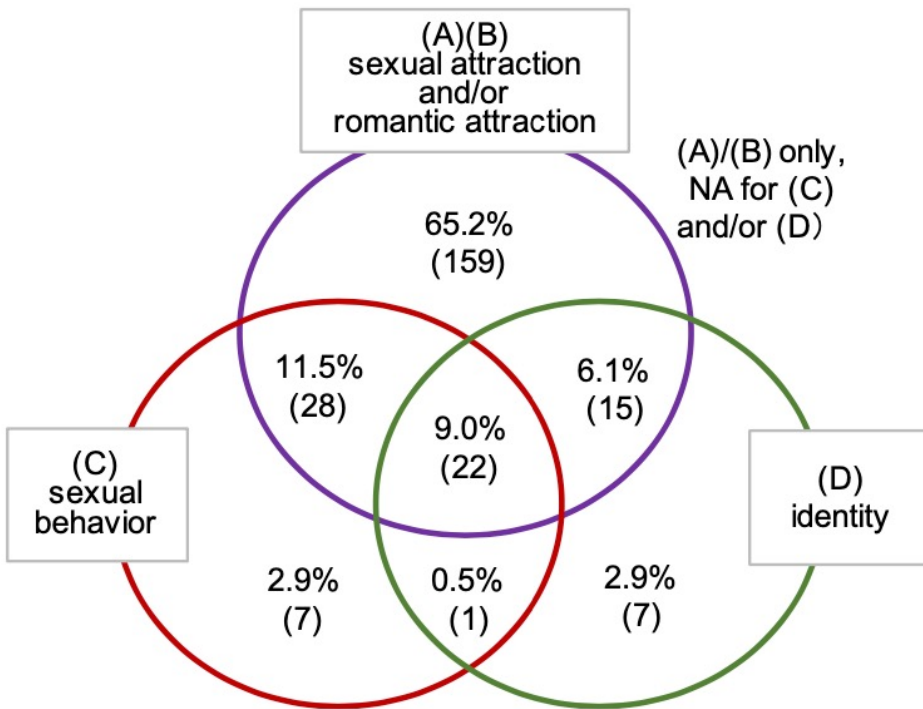

Figure 3.1 Interrelation of components of same-sex sexuality among cisgender women, Osaka City Residents' Survey, 2019: (A) sexual attraction and/or (B) romantic attraction, (C) sexual behavior, and (D) sexual orientation identity for 244 cisgender women (9.8% of the total 2497) who report same-sex sexuality in any of the four components (A,B,C or D)

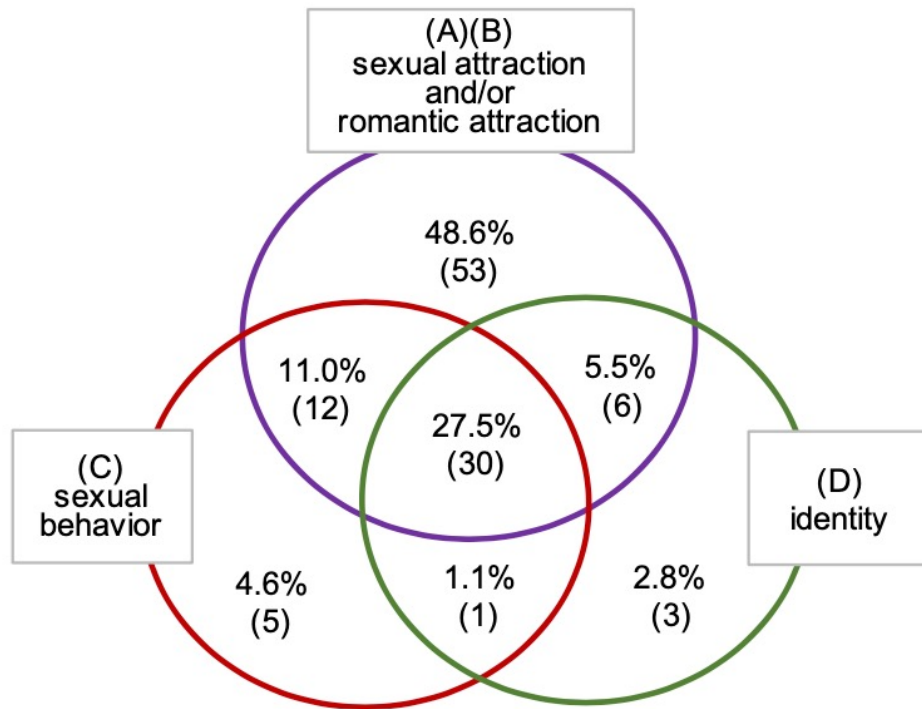

Figure 3.2 Interrelation of components of same-sex sexuality among cisgender men, Osaka City Residents' Survey, 2019: (A) sexual attraction and/or (B) romantic attraction, (C) sexual behavior, and (D) sexual orientation identity for 109 cisgender men (6.3% of the total 1742) who report same-sex sexuality in any of the four components (A,B,C or D)

Note: These are not the results of the Osaka City Residents' Survey, but the results of a separate experimental web survey to improve SOGI questions.

Results:

Reasons for Selecting “Don’t Want to Decide, Haven’t Decided” (6.6%, n=159)

Circle the number that is closest as the reason for selecting “don’t want to decide, haven’t decided”	n (%)
I do not (want to) use labels such as “heterosexual,” “gay, lesbian, homosexual,” “bisexual,” and “asexual”; I do not (want to) classify myself	82 (51.6)
I haven’t decided yet, I am in the process of figuring it out, unsure	22 (13.8)
I was not able to select one category in the previous question (There were more than one category that applies to me)	5 (3.1)
I am not heterosexual, but identify with another label such as queer and pansexual	3 (1.9)
Other (please specify:)	6 (3.8)
Ex.) I have extremely low sexual/romantic feelings; not sure; I am not attracted to real people; I have never attracted to anyone; I don’t know who I’m attracted to.	
I am transgender; I have gender dysphoria or gender identity disorder	0 (0.0)
I mistakenly selected the category “don’t want to decide, haven’t decided”	12 (7.5)
I did not understand the question	22 (13.8)*
I did not understand the terminology	7 (4.4)*

Responses that may be from heterosexual people: Total = 22.0%
